

# Nature Scavenger Hunt

The Gault Nature Reserve, owned by McGill University since 1958, is located on Mont-Saint-Hilaire and protects over 1,000 hectares of exceptional natural ecosystems.

This free activity, geared towards students in primary school (cycles 2 and 3) and families, will help you **discover the exceptional biodiversity of Mont Saint-Hilaire.**

Questions? Please write to us  
[info.gault@mcgill.ca](mailto:info.gault@mcgill.ca)

## The activity includes :

### Preparation guide

Instructions for teachers or parents to prepare for the outing.

### Instructions and equipment loan

Loan of materials needed for the activity (pencils, cards, field notebook, maps) on arrival
