ON THE TRAILS

One-way trails
- Due to the one-way nature of some trails, you will be required to complete the entire circuit. Please ensure you are properly prepared before using the trail.
- Some trails are now one-way only, please refer to the trail map.

Two-way trails
- On two-way trails, hikers coming uphill have the right of way.
- Please obey one-way travel on the trails.

Keep right, pass left
- Be predictable! Call out when passing. If you want to pass, clearly and politely communicate your plans to other users so that they have time to react.

At the Summit
- Do not gather in groups at the summit. Always keep a distance of at least 2 metres from other people.

COVID-19: GUIDELINES AND SAFETY MEASURES

Every individual has their part to play to reduce the risk of spreading viruses. If you are sick, please protect others by staying home and not visiting the Reserve until you are well.
- Please stay home if:
  1. You have any of these symptoms: cough, fever, difficulty breathing, sudden loss of smell; OR
  2. You have been out of the country in the last two weeks; OR
  3. You are in contact with someone who has COVID-19
- Sanitize your hands often: bring your hand sanitizer.
- Maintain a physical distance of at least 2 metres from others, including in parking lots and trail entrances.
- Please bring back your waste.
- Do not move picnic tables.
- The Reserve will review, on an ongoing basis, the services offered based on the level of risk and the directives of public health organizations.

Thank you for your support and cooperation.
